## OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, CHITALDRUG CIRCLE, CHITALDRUG.

*Notification dated 18th May 1940.*

It is hereby notified that sealed tenders will be received by the undersigned up to 2 P.M. on Monday the 10th June 1940, for transporting articles such as implements, seeds and manures and miscellaneous articles to Babbur Farm and other Agricultural depots in the District from Chitaldrug Railway Station and the Agricultural Depot, Chitaldrug during 1940-41.

Tenders should be addressed to the Assistant Director of Agriculture, Chitaldrug Circle, Chitaldrug, in a sealed cover and superscribed as "Tender for Carting Contract." The name of the tenderer should also be superscribed on the top of the cover.

Each tender must be accompanied by a deposit of Rs. 50 in currency notes. Earnest money of the successful tenderer will be retained as security deposit for due fulfilment of the contract.

The tenders will be opened in the presence of the tenderers who wish to be present on 10th June 1940 at Chitaldrug. The final acceptance of the tender will rest with the Director of Agriculture, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any.

The deposits received from unsuccessful tenderers will be returned to them at their cost.

The specific rate should be given for each time in the schedule accompanying the tender. The rates quoted must be per mile for a cartload containing a minimum of 40 Mds.

Articles which are intended to Babbur Farm must be delivered on the Farm itself and not at the Hiriyur Depot even though the consignments may be less than a cartload. If, however, consignments meant for the Farm are delivered at Hiriyur Depot, carthire if any, paid by the Farm will be deducted from such consignments.

No amount will be paid to the contractor till he produces the voucher in the proper form. He should be prepared to meet the railway freight on consignments which are to be booked and on consignments which are received at Chitaldrug from various institutions payment of which will only be made on production of railway general receipts and other receipts. If however, the railway freight to be met is above Rs. 25, arrangements will be made to advance the amount required and he should produce the vouchers immediately after taking delivery and booking the consignments.

The contractor should go over to office every day and enquire whether there are any consignments to be booked or any railway receipts for taking delivery of consignments. Immediately after taking delivery of consignments he should arrange to take them to the intended places without the least possible delay and he will be responsible for any loss, shortage, etc., during the transit.

On consignments which are received in small bags weighing below 40 maunds and which are less than a cartload, carthire will be paid according to the discretion of the Agricultural Inspector, Chitaldrug, not exceeding the mileage rates quoted by him and his decision will be final.

While calculating carthire on consignments which are more than 40 maunds, carthire will be paid for the exact quantity carted by rule of proportion.

The contractor should promptly take the railway receipts in time and see that no demurrage charges are incurred. If any demurrage charges have to be paid owing to delay in taking the railway receipts from the office or delay in taking delivery of article at the Railway Station, such charges will be recovered from the contractor.

If consignments are not taken delivery of in time and transmitted in time to the intended places, the same will be transhipped by the Department and excess charges and losses, if any, will be recovered by him.

The successful tenderer should execute a bond on a stamped paper to the Agricultral Inspector, Chitaldrug, binding himself for the above conditions and which may be prescribed by the Department, for the prompt work and good behaviour and that if he fail to carry out Government work satisfactorily his deposit amount will be forfeited to Government.

Charges for items which do not fall under the schedule will be paid at the discretion of the Agricultural Inspector, Chitaldrug, in each individual case and his decision will be final.
